

# The Write Space

*Handwriting Without Tears Program with  
a Sensory Integration Focus*

## GROUP INFO

Utilizing a fun, hands-on, multi-sensory handwriting  
readiness program to develop fine motor skills by:

- Singing songs to reinforce body awareness and right/left discrimination
- Coloring to promote a mature pencil grip of finger control
- Drawing to learn spatial awareness and body schema
- Quick review of letter and number stroke patterns
- Line generalization for all paper styles

## Group of 5 children

Ages 6-10 years old who need assistance with print word and sentence formation.

Requirements:

- Remain seated for at least 15 minutes with less than 2 verbal cues
- Solid foundation of letters and numbers (i.e. limited reversals and cues for correct formation)
- Needs assistance with spacing for words and sentences

## WHEN?

**Tuesdays and Thursdays**

9:30-10:30AM on July 6– August 1

**\$280 total (\$100 deposit)**

Includes:

- 8, 1 hour sessions
- Handwriting without Tears personal workbook
