

# The Write Stuff

## Handwriting Without Tears Program with a Sensory Integration Focus

### GROUP INFO

Utilizing a fun, hands-on, multi-sensory handwriting readiness program to develop fine motor skills by:

- Singing songs to reinforce body awareness and right/left discrimination
- Counting to reinforce timing
- Coloring to promote a mature pencil grip of finger control
- Building wooden structures to expand letter formations to a variety of mediums
- Drawing to learn spatial awareness and body schema
- Exploring their environment to experience different sensory inputs to aid in pencil pressure and location on paper
- Forming play-doh to strengthen their hands and increase dexterity
