

**Learning Center
Therapeutic Groups at PTLC**

Play Partners

Play Partners act as assistants to our group leaders, directly supporting students in our therapeutic group programs. Good candidates are college students or graduates of speech-pathology, occupational therapy, early childhood, or counseling undergraduate programs. Play Partners receive on-the-job training in support and intervention techniques for children with developmental challenges.

Requirements:

- Undergraduate work in relevant field of study (see above.)
- Available 2 or 4 mornings per week (Monday-Thursday)
- Having a caring spirit, calm demeanor, and willingness/interest to learn how to support children with special challenges.
- Preference for candidates who can commit to at least 2 semesters of work.

How to apply:

- Send your resume along with an email message stating why you are interested in this position to info@pediatricTLC.com.
- Use the subject line "Play Partner."
- Include your hours of availability
- Let us know if you have any obligations that might affect your availability
