

**Classroom Assistant/Floater
BUDS Therapeutic Groups**

Proposed Schedule:

Monday-Thursday

9am-2pm (45 minute unpaid lunch break)

Approximately 20 hours/week, while BUDS Groups are in session

General Description:

A Classroom Assistant/Floater acts as an assistant to the Learning Center Coordinator and Director in the capacity of preparing materials, organizing/cleaning the room, setting up, and assisting with registration, as well as working directly with children with special challenges in our BUDS Program.

Good candidates are college students or graduates of speech-pathology, occupational therapy, early childhood, or counseling undergraduate programs. Classroom Assistants receive on-the-job training in support and intervention techniques for children with developmental challenges.

Requirements:

- Undergraduate work in a relevant field of study (preference)
- Available for the proposed schedule
- Good organizational skills
- A caring spirit, calm demeanor, and willingness/interest to learn how to support children with special challenges.
- Can commit to at least 2 semesters of work (preference)
-

How to apply:

- Send your resume along with an email message stating why you are interested in this position to info@pediatricTLC.com.
- Use the subject line "Classroom Assistant Position"
- Include your hours of availability and when you could start
- Let us know if you have any obligations that might affect your availability

Starting Pay: \$13/hou
