

Seeking Occupational Therapist (Louisiana Licensure Required)

Our outpatient pediatric clinic is seeking an eager and playful occupational therapist who is ready to:

- Play!
- Help pediatric clients make big changes
- Work on a multi-disciplinary team
- Grow as a therapist
 - Learn and practice DIR/Floortime
 - Learn and practice Ayres Sensory Integration
- Work with families to support their understanding of their child's unique individual differences and sensory profiles
- Work with clients to develop and sustain relationships with others
- Build relationships with clients, families and colleagues
- Have fun!

Pediatric Therapy and Learning Center offers distinctive **mentorships** for new and experienced clinicians who are seeking a more fulfilling career working with children. Specific areas of focus include:

- Expanding a therapist's therapeutic use of self in play and regulation
- Working directly with families to address the child's individual differences
- Understanding the development and use of language and communication with clients at various developmental stages
- Understanding and using supplemental modalities, such as listening programs, sensory diets, Interactive Metronome, and others
- Feeding/Eating Therapy mentorship for those interested in this specialty

Full time employees are eligible for additional **benefits** such as

- Salary unaffected by cancellations
- Paid holidays
- Paid time off
- Health insurance
- Supplemental insurance
- Continuing education allowance
- Retirement plan with employer match

Preferred Skills:

- Assertive, friendly personality
- Effective communication skills that can be used with both children and adults
- Experience with Electronic Medical Records (EMR) is helpful
- Creative and playful
- Organization
- Time management

If you are interested in applying for a full-time or part-time position with our organization, email your resume and a cover letter explaining your interest to allison@pediatrictlc.com. We can't wait to meet you!
